

A unique opportunity to acquire a substantial 370m² modular building

370m² (16 unit) Modular Building

Manufactured by Terrapin we have a substantial modular building ready for construction.

The floor space consists of 16 units measuring 2.4 x 9.6m which may be re-purposed and extended.

The building is available now for delivery disassembled or with a complete construction where Terrapin can provide a bespoke installation service.

Potential uses

- Class Rooms
- Sheltered Farm Area
- Security Office
- Sports Club House
- Storage Units
